VAPING:

WHAT PARENTS NEED TO KNOW!

Parents, teen use of vapes/e-cigarettes has increased locally and across the country. Learn eye opening information about how big tobacco is marketing to your teen, what you can do to prevent your teen from using, and facts you need to know in order to educate your teen about the dangers of these products. Also, walk through Link Together's interactive mock teen bedroom to learn about possible warning signs of drug use. You won't want to miss this important educational opportunity!

Featuring: Aaron Weiner, PhD, Licensed Clinical Psychologist and the Director of Addictions at Linden Oaks Behavioral Health

Date: October 17th, 2018

Time: 7:00—8:30 pm

Location: John Hersey High School—Theater, Enter through Door 1

ALL PARENTS from D214 High Schools and feeder middle schools are WELCOME!
