**I AM INTERESTED IN THE FOLLOWING (CHECK ALL THAT APPLY)**

**----- LINK TOGETHER ADULT COALITION**

Community partners meet monthly to work on evidence - based prevention programming to decrease teen alcohol and marijuana use in Wheeling Township.

**----- STUDENT ADVISORY BOARD**

Link Together's opportunity for students to build leadership skills, have a voice, promote healthy choices and have fun! This board will work on community youth drug prevention by following the "Engaging Youth for Positive Change" model, which was developed by the University of Illinois.

**----- YOUR ACTIONS MATTER**

A youth-led initiative focused on changing adult attitudes about giving alcohol to minors. "Your Actions Matter" was created by the Illinois Liquor Control Commission and includes youth partnering annually with local law enforcement to place prevention messages in local liquor stores.

**----- MYLE**

Myle is an annual, student-organized leadership conference for eight graders sponsored by OMNI Youth Services. Its purpose is to motivate middle schoolers to go out and make a difference in their communities. Students learn about community services and leading peers, skills which are useful in high school. Opportunities are available for 8<sup>th</sup> graders to attend MYLE and for high school students to be a part of the MYLE organizational team!
